

**Note:**

The information contained on this compact disc (CD) is the final information utilized by the Nevada Division of Environmental Protection – Bureau of Air Pollution Control (NDEP-BAPC) to produce the draft air permit for the White Pine Energy Associates, LLC (WPEA) Facility. However, the date stamps on certain pages were automatically generated during the conversion process to portable document format (PDF) and thus do not reflect the actual dates of submittal to NDEP-BAPC. For the official dates of submittal for the application pages, please refer to the hard copy files maintained by NDEP-BAPC.
